MINUTES of 1/28/08 accepted as printed. Unanimous.

CONTRIBUTORY RETIREMENT BOARD (CRB) ARTICLES

ART 39 INCREASE IN ACCIDENTAL DEATH BENEFITS: Bilafer, Rosselli & Greco explained this article. This article concerns employees who retire with a disability pension and die from that disability. Their children under 18, or if in college, under 22, would receive an annual benefit for each child. This figure is adjusted w/ a COLA each year by the State, is currently \$648. When accepted by Town Meeting in 2002 the benefit was \$312. The COLA aspect of the law was not clear at the time the Town Meeting voted, but the CRB awarded it anyway. Acceptance of this article, required by PERAC, would legalize that action. Greco requested to provide a comment for the FinCom report.

VOTED favorable action. Unanimous.

ART 40 HOME RULE LEGISLATION TO EXTEND BENEFITS: Rosselli explained that Town employees who are qualified veterans (wartime service) and retire on a disability receive an annual benefit of \$15/ year of employment up to 20 years in addition to their pension from the pension fund. Rosselli's intention is that this legislation would allow their widows to receive the benefit. The article says their estate would receive the benefit. Greco estimates the cost at \$100k.

VOTED no action because the benefits should not be retroactive. Unanimous. Dunn to write comment for FinCom report.

ART 41 PENSION ADJUSTMENTS: This is the annual article authorizing COLAs that would maintain a retiree's pension at least 50% of the salary of the position from which he/she retired. Turkall to use last year's comment in the FinCom report.

VOTED favorable action. Unanimous.

ART 42 TRANSFER AND APPROPRIATION OF FUNDS FOR OPEB: Bilafer stated that the home rule legislation establishing a irrevocable trust to fund retiree health care costs requires that CRB manage the fund. The fund must be irrevocable to meet GASB standards and count against the OPEB liability on the Town's balance sheet. He believes that actuary work and the management of this fund is similar to management of the pension fund although, unlike pensions, the teachers would be covered. So far no employee money is involved except a third of the 15% payment that retirees make for health care. Bilafer would be willing to provide an annual report to the Town.

VOTED to table until the report that Foskett requested from Maher on the home rule legislation is available. Unanimous. Also the committee wishes to hear the Treasurer's views on this matter.

ART 15 BYLAW AMENDMENT NOTICES OF MEETINGS & MINUTES: Leary explained her difficulty in finding out when Town boards and commissions plan to discuss matters affecting her neighborhood and what actions had been taken. The language would require much broader notification of affected residents than is current practice. Members expressed their concern with the practical difficulties of determining who might be affected, and the possibility of challenges to action on the basis of non-notification. Also members thought Leary's suggestion to use the assessor's records to determine who to notify would entail new expense. Tabled. Tosti to discuss w/ BoS.

COMMITTEE: Next mtg 2/6 Jamieson's articles: Services to Non-profits, Tip Fund Monies, Medicare Part D Reimbursement, SPED Budgets.

On 2/11 Treasurer on Pension Obligation Bonds, Borrowing for OPEB.

On 2/13 Assessor on Revaluation. On 2/20 TAC, On 2/25 Harrington Sidewalks School Routes.
